By Paul Rardin

Rev. C. T. Howes, pastor of the Pahokee Methodist church, was guest speaker at the Rotary club in Pahokee yesterday. The Methodist minister is an outstanding speaker and his talk before the Rotarians was interesting and educational. . . Elmer Jones reported arrival of Rotary signs—after having been ordered for many, many months. . . Student Member Carmen Salvatore had Lion Blue Devil Harry Fremd as his guest.

P. P. deMoya says the new FPL office in Belle Glade in the new Elsbury building is open for all business of the company originating between Cardwell and Hooker's Point. At present Mrs. Leah Keen, Miss Dixie Pool and Laverne Myers comprise the office force. The handsome building, recently completed, furnishes additional office space for the ever enlarging power company. The Pahokee office is being continued in its present location near the light plant in Pahokee.

Here's how the record stands between the Pahokee Blue Devils and the Belle Glade Golden Rams:

## Consider Plans To Build Legion Home

Members of Fred and Percy Mansfield Post 90 at a joint meeting with the Legion Auxiliary in the Woman's Club building Monday night discussed plans for raising funds for the construction of a new Legion home, the work to start when building materials become more plentiful. It was announced that Post 90 has received deeds to two adjoining lots on Bacom Point Road. The State deeded one of the lots to the post and the City of Pahokee, the other.

The Auxiliary, at a separate business session with Mrs. John E. Wilson, president, presiding, outlined a work program for the coming year. It was announced that the local Auxiliary will conduct a joint meeting with the Belle Glade Legion Auxiliary on Dec. 10 at which time Mrs. A. J. Ryan, State auxiliary president, will be guest speaker.

At the conclusion of the business members of the Auxiliary served refreshments of pie and coffee. The two groups will hold another joint meeting on Dec. 2.

## Glades Classic Is Scheduled For Next Wednesday Night

The annual Glades grid classic between the Pahokee Blue Devils and the Belle Glade Rams will be played on Lair Field in Pahokee on Thanksgiving eve, Wednesday, Nov. 27, at 8:15 p. m. Rumors emanating from the East Coast state that the date of this game has been changed are absolutely without foundation, according to Coach Clyde Alley and Principal D. D. Caudill.

Both schools have excellent teams this year. Belle Glade dropped games to West Palm Beach and South Broward while Pahokee played a scoreless tie with West Palm Beach and won a 7 to 0 victory over South Broward. To date this season the Blue Devils have not been defeated but the absence of Rodney Connell from the lineup will make the two elevens evenly matched in strength. With this contest marking the end of the football season for both schools, it is certain that each team will dump its entire bag of tricks into the plays to make the game a super-thriller for Glades fans.

The winner goes the coveted Lions Club Glades football trophy. In the past four years since the start of the rivalry between the two schools Pahokee has won four games and tied one, retaining the trophy continuously. The Rams are invading Lair Field Wednesday night with the express purpose of taking the trophy back to Belle Glade with them and are rated to have an even chance of doing just that.

## Funeral Held Today For Henry Brooker

Funeral services will be held today for Henry Brooker, 70, who died early yesterday morning. Burial will be made in Miami.

Survivors are the wife, Mrs. Ida Brooker, one daughter, Betty Jo, and two sons, Henry, Jr., and Ronald S. of Homestead. Two brothers, Tom of Naples and Ed of Homestead. One sister, Mrs. Blanch Rushing of Hollywood, Fla.

Mr. Brooker was active in business circles in this area up until eight years ago when his health began to fail. During the past eight months he has been hospitalized at Pahokee and West Palm Beach.

## Canal Point Churches Join In Union Service

The churches to Canal Point will join in a Service of Thanksgiving at the Canal Point Methodist Church on Thanksgiving morning, Nov. 28, at 10 A. M. The early hour is set so that all may attend with a minimum of inconvenience for the housewife. It is hoped that as many entire families as possible will sit together during the service, symbolizing the first Thanksgiving in our homes in many years in which the family circle is complete. The hour-long service will be a sharing of the deep gratitude felt in every heart for the love and mercy

of our God and of our prayers and consecration of peace and understanding among men. The Baptist and Methodist churches will take part in the service.

As in former years, the collection will be Canal Point's contribution to the Florida Children's Home Society of Jacksonville. The need of the Children's Home is especially acute this year and the offering in which we share may help considerably in thus aiding those children who do not know the family joy at Thanksgiving time.

## Nearly 100-Years Old But She Likes Flying

Mrs. Cassie Chaney, 92, mother of Frank Chaney, took her first plane ride Saturday morning with her grandson, Garland Chaney, at the controls. She enjoyed the ride so much that she had Garland fill the plane with gas Saturday afternoon and fly her to Valdosta, Ga., for a visit with relatives there. Mrs. Chaney, who will be 93 years young the first of next year, is really keeping up with the times.

## 6 Miles Road Will Be Rebuilt By State

Bids for the reconstruction of six miles of Road 25 from Belle Glade to the bridge six miles east of the Everglades city will be accepted in December, it was disclosed Monday by Paul Rardin, county commissioner from the Glades.

The road department plans to scarify the existing surface, add six inches of new limestone, and put down a new bituminous pavement on the route, Rardin declared. Shoulders will be rebuilt of rock obtained from the Lake Okechobee region, he added.

## Revival To Start Nazarene Church

Beginning Tuesday night December 3, revival services will be held every night at 7:30 P. M. except Saturday, until December 15, at the Pahokee Nazarene church.

The special speaker will be Rev. A. E. Kelly, the District Superintendent of South Carolina.

We count it a privilege indeed to have this fine speaker and evangelist in our church. He is considered one of the outstanding Evangelists of the South.

We wish to extend a hearty welcome to all the friends of the Church and Community to join with us in these services. There will be special singing and music every night; so be sure to join us on the opening night.

JACK BARRETT BETTER

Jack Barrett is reported to be resting easier at the home of his sister-in-law, Mrs. Ed Forbes in West Palm Beach, following a serious illness of several weeks in Canal Point. His many friends will be glad to know he is "on the mend" after weeks of illness.

## Melbourne Comes To Pahokee Tonite To Play Blue Devils

The Pahokee Blue Devils are going to miss their ace scat back, Rodney Connell, when they play the Melbourne Bulldogs on Lair Field tonight at 8:15. Connell, who graduates in spring, received a serious knee injury in the second quarter of the Lake Worth game and will be unable to play any more football for Pahokee according to Coach Clyde Alley. A 10-second man on the track, he chalked up in seven games a total of 292 yards in six touchdowns runs of 32, 65, 60, 70, 20 and 65 yards. Connell is so light that his 125 pounds seemed at times to literally bounce off of heavy opposition lines. He was also a fairly good kicker but stood out as a breakaway back in broken field running.

Before entering the service in 1943 Coach Alley was coach at Melbourne for two years and has great respect for the Bulldogs' brand of football. Melbourne is runnerup in the Indian River Conference, with three wins, one tie and one defeat in five league games. In Earl Raulerson, speedy swivel-hipped half back, the East Coast eleven have a ball carrier that can give the Blue Devils plenty of trouble.

Coach Alley has moved James Latham from the line to replace Connell at right half and James (Continued on page 4)

## Lions To Sponsor Water Carnival

A gala water and air carnival, featuring speed boat and plane rides, will be held on the Pahokee waterfront Sunday, Nov. 24, from 1 to 5 p. m., under the sponsorship of the Lions Club.

Plans for the carnival were completed at the Lions Tuesday luncheon meeting. It was announced that music for the affair will be furnished by Bandmaster Robert O. Lampl and his Pahokee High School Band. President Duncan Padgett, appointed the following committee in charge of carnival arrangements: Frank Rozelle, Sr., planes; George M. Belk, Sr., boats; X. L. Garrison, O. O. Gilbert, C. A. Bachelor and D. Padgett, refreshment stands; Earl A. Lindrose, music.

Guest speaker at the luncheon was State Representative B. Elliott who gave a talk on "Proposed State Legislation." He was introduced by Luke Fraser, program chairman. Nineteen members of the club who are veterans of World War II were recognized at the luncheon in a special veterans day program. The tables were decorated in red, white and blue in honor of the veterans.

E. A. Jensen introduced Melvin Spooner and Woodrow Uptegrove as new members of the club. Milton Salvatore, student member of the Pahokee Rotary Club, was the guest of Harry Fremd, Lions student member. It was announced that a special Thanksgiving program will be presented at next week's luncheon.

## Life Goes On

Governor Arnall at the age of 39 is a reminder that the philosophical outlook on life does not always go with gray hair. Georgia's liberal chief executive, who will be succeeded next January by the far-from-liberal Eugene Talmadge, is not too gloomy about the future. He thinks Georgia is in for eight or a dozen years of political reaction, after which the pendulum will swing back. He is confident that "it is only a question of time until the liberal forces take over again."

Only a question of time, yes. But there is time and time. It is obviously much easier for a man of 39 to be philosophical about a dozen years of Babylonian captivity than for a man of 59. When a dozen years of reaction in Georgia have rolled by and the sun of liberalism is once more bright in the skies the man of 39 today will be just in the prime of life, the ideal age for any tasks to which the return of liberalism may summon him. The man who is 59 today is likely to derive considerably less comfort from the thought that the right cause is sure to win in the long run, by the time he is 71 years of age.

Just the same it is a distinct gain to have Georgia's progressive young governor remind his contemporaries and his elders that there is such a thing as rhythm in the nation's public life as in all life. There are victories and defeats, ups and downs, ins and outs. The world is not coming to an end for the American people because a dozen years of party ascendancy may be drawing to an end.—New York Times.

## BPW Club Receives Four New Members

Marvel Griffith, Edith Cross, Pearl Carter and Amanada Jernigan were received as new members of the Everglades Business and Professional Woman's Club at a meeting held Tuesday night at the home of Alma Farrow.

Izetta Kautz, chairman of the vocational education committee, introduced as guest speaker Mrs. Frank Friend who gave a talk on "Vocational Education in the Field of Home Economics." Also on the program were two readings by Mrs. Dave W. Cunningham.

Tommie Lee DuBose, club president, gave a report on the B&PWC district meeting held in Miami Springs on Sunday. Mrs. Hazel Chastain, Miss Minnie Ruth Flowers and Mrs. Eden were guests. Lucille Williams assisted Mrs. Farrow in the serving of refreshments at the close of the meeting.

## Wendell T. Harris Hurt In Truck Crash

Wendell T. Harris, manager of the H. J. Clause Farms, suffered a broken collar bone and severe cuts and bruises on his face, neck and arms in an auto accident on Connors Highway eight miles east of Canal Point around 6:15 p. m. Saturday.

Mr. Harris, driving a Plymouth pickup truck, was on his way to the farm to pick up some farm hands when he was blinded by the lights of an approaching car and

ran full force into a stray mule standing on the highway. The mule was killed instantly and the truck came to rest in a deep ditch south of the highway after rolling over several times. When Harris recovered consciousness he had great difficulty in climbing up the embankment and attracting the attention of passing motorists. Finally he was able to stop Mrs. Geiger, local Avon products representative who was returning home from West Palm Beach, and she brought him to the Everglades Memorial Hospital for treatment. The truck was a total wreck.

Mr. Harris is reported to be recuperating nicely from his injuries but will be unable to return to work for several weeks. His pet dog, a cocker spaniel, was riding with him but as yet no trace has been found of the dog.

The first pint of Florida strawberries offered at the Plant City State Farmers' Market sold for \$40, it was announced by market manager R. E. Johnson.

## Brewton - Ricketson

Miss Ruth Ricketson, daughter of Mr. and Mrs. Arthur Ricketson of Douglas, Ga., became the bride of Whit L. Brewton, son of Mr. and Mrs. W. H. Brewton, Pahokee, at a single ring ceremony held in the Pahokee Methodist Church Friday, Nov. 15. The vows were read by Rev. Carson T. Howes, pastor.

Miss Mary Wilder, Pahokee, and Fred Peterson, Washington, D. C., and Pahokee, were attendants.

The bride wore a two-piece grey wool suit with gold accessories and gold feather hat with nose veil. Her corsage was of yellow rosebuds. She is a graduate of the Douglas High School and before her marriage was employed at Wortham's Cafe.

Mr. Brewton is a graduate of Pahokee High School, class of '41, and attended the University of Florida before entering the service in 1942. He was in the Army's First Infantry for 42 months and spent 33 months on overseas duty in ETO. He was awarded the Purple Heart Medal for wounds received in action during the war.

Following a brief wedding trip to the East Coast Mr. and Mrs. Brewton are now at their home in Pahokee where he is engaged in farming.

## Ministers Plan For Thanksgiving Service

A Pahokee Union service will be held on the Tuesday before Thanksgiving, November 26, at 8:00 P. M. The Nazarene Church will be the host church. The program as announced by Rev. Moore, the host-minister, will include special music and an address by the Rev. J. M. Gresham. Special numbers will be arranged by the choirs of the individual churches of Pahokee.

The offering from this union Service of Thanksgiving will be sent to the Florida Children's Home Society in Jacksonville.

The Canal Point area will have a Thanksgiving Service on Thanksgiving Morning.

A meeting of the Canal Point-Pahokee Ministerial association was held recently with Messrs. C. R. Moore, C. A. Moberg, W. T. Blair and C. T. Howes present.

The next item was a report from Howes on the proposed Go-To-Church Campaign to be held in March, 1947 in preparation for the Easter season. Howes' plan would be three-fold: 1) work in the individual churches; 2) work with all civic organizations, institutions, clubs, etc., in promoting public awareness of the drive and its aims; and 3) publicity for the program. The slogan "March To Church In March" was suggested. The plan forwarded would include several weeks of preparation in February including a religious census of every family in the Pahokee-Canal Point area and follow-up calls by laity-teams.

During the month of March a series of special days would highlight the campaign including the following suggested services: Roll-call day, Family Communion Day in which the family units would receive the Sacrament of Communion, Youth Sunday with special music and short talks by young people as well as a special message for youth, Visitor's Sunday in which a concerted effort would be made to reach non-members.

## "Second Coming Of Christ" Is Moberg's Topic On Sunday

An overflow congregation attended last Sunday night's service at the First Baptist Church of Pahokee to hear the pastor, Rev. C. A. Moberg in the second of the series of sermons based on the chart "Rightly Dividing the Word of Truth." This Sunday night at 7:45, the subject will be "The Second Coming of Christ." What is the difference between the rapture and the revelation? Who are the saints? When will Christ return? Will His return be personal? Why will He return? Where? How may one get ready for His coming?

The musical family of orchestra, choir and quartet will present a program commensurate with the sermon. Ninety two were in attendance in the Training Union last Sunday night with the three hundred mark in Sunday School missed by a few. Sunday morning the pastor will speak of "Convention Echoes," a report of the Baptist State Convention just concluded in Tampa. It is hoped that the new Sunday School building will be far enough along for occupancy within thirty days. The ladies quartet, which is gaining quite a reputation, will present a special Christmas program, "Silent Night," with readings. The composer is Haldor Lillenas. The date of this offering will be announced.

Activities started at 9:45 a. m. with the opening of the church school with approximately 250 children and adults in attendance. After Sunday School a large crowd that overflowed the church auditorium and balcony turned out to welcome Rev. Fred L. Martin of Live Oak, former pastor, who as guest speaker delivered sermons at both the morning and evening services.

Good crowds were also present at the homecoming basket dinner held on the church lawn at noon, at the special afternoon program and at the evening service. The warm spirit of fellowship that prevailed at the homecoming activities throughout the day was enjoyed by all.

## This Week's Personality . . . Melbourne Comes—

Pahokee City Clerk W. P. Walker . . . At the City Hall in Pahokee you'll find the gentleman pictured above busily attending the duties of city clerk. He has been on that particular job since the month of May back in 1934. Mr. Walker and his family came to Pahokee June 13, 1927 from Tennessee. He had been employed in Memphis for 20 years by the Lee Line Steamers. He was born in Ripley, Tenn. During the years he has been re-elected to the office of city clerk there were three elections when he didn't have opposition, having been re-elected without the necessity of making a campaign. His work at the city hall is outstanding and the out-of-town auditors always have a word of commendation for the manner in which he keeps the books and handles the city's funds. He and Mrs. Walker have been married 42 years. They own a home on Southeast Second Street in Pahokee. The Walkers have two children, Robert of Pahokee and Mrs. Mary Sue Weathers, who is an instructor in Edison High School in Miami.

Members of the Everglades B&PWC who attended the district meeting at Miami Springs Sunday included Clark Hull, Cleo Douthit, Barbara McNamara, Izetta Kautz, Rethelle Dobrow, Nola Dragon and Tommie Lee DuBose.

Cpl. and Mrs. J. W. Wood, Lake Worth, spent several days this week in Pahokee visiting his mother, Mrs. E. W. Wood, who is recuperating from an operation performed Saturday at the Everglades Memorial Hospital.

Scott will fill Latham's position at left end. Latham may slow the backfield down a bit but should give it added driving power. Scott and Latham are so evenly matched at left end that the change there should make little difference in the efficiency of the line.

Against Lake Worth last Friday night the Blue Devils got off to a bad start when Geiger fumbled the Trojan kickoff and Tackle Eric Tuttle recovered on the Pahokee 32. From there Warriner and Gallagher took the ball down to the 1 where Warriner plunged for the touchdown but failed on the kick. It took the Blue Devils a full quarter to recover from this bad break with the Trojans rushing for 95 yards while Pahokee netted nary a foot.

The picture started to change at the start of the second period when Connell snagged a Trojan pass on the Pahokee 35 and ran it back 30 yards to the LW 35 where he was tackled hard by two men and was carried off the field with a badly hurt knee. It was here that the Blue Devils' iron man, Fullback Thomas Dickson, took over, plowing through left tackle on the next play to carry the ball down to the 1 and then on the next play through center for the touchdown. Wilbur Geiger's kick was good and the score at the end of the half was 7 to 6, Pahokee.

Near the end of the third quarter Pahokee started on a touchdown march from its own 24, where the ball was taken over on downs, that ended on the LW 11 at the start of the fourth period. From the 11 Dickson tore through left guard to score and Geiger's kick was again perfect. Later in the same period the Blue Devils again took the ball on downs on their own 11 and started marching, with Frank Gillis, Geiger and Dickson alternating in carrying the ball down to the LW 17 where Geiger scurried through left tackle for the touchdown. Geiger's kick was a little too wide and the game ended 20 to 6, Pahokee. It was a great game to watch but had local fans mighty worried at the beginning until the Pahokee line started to stiffen.

The Bulldogs will average over eight pounds heavier in the line and 11 pounds in the backfield in tonight's contest. It looks like going going again for the Blue Devils.

### IS YOUR LIVER CRYING FOR HELP

because of constipation or faulty digestion? If you feel bilious, sour, bloated with gas, headachy, blue, grouchy, you may be putting too big a burden on your liver. Retained undigested food becomes putrefactive, causes toxins, which overload the liver, keeping it from working properly. Then is the time to relieve your tired liver by letting Calotabs help nature sweep the putrefactive and partially digested matter from your stomach and intestines. Nothing acts just like good old Calotabs. Use as directed. 10c and 25c at your druggists.

## Methodists Plan Worship Services

The Morning Worship Service of the Canal Point Methodist Church will be an observance of Thanksgiving Sunday with a sermon by the minister, William T. Blair, entitled "Our Nation Thanking God".

The service at 11 A. M. is preceded by Sunday School for all ages under the supervision of N. V. Maxson at 10. Our new system of teachers and assistants in all departments under the youth groups is working out very satisfactorily. The Men's Bible Class is continuing its fine growth. The Post-High Class is at present discussing the organization of all young people of 18 and older into a Senior Fellowship meeting on a weekday night for Bible study and social evenings.

The Evening Worship Service at 7:30 will feature another hymn

sing and the sermon, "Where Has the Week Gone To?" These informal evenings of song and worship are drawing a fine response.

The MYF, meeting every Monday night at 7, has proposed a "Know Thyself" project for the next quarter year. The minister will give the young people a series of interesting and informative psychological surveys designed to show aptitudes, interests, and skills in preparation for life work. A Worship Service will be a regular part of the meeting, led by Sarah Dart, Commissioner of Worship. At the meeting on Dec. 2 the discussion of the various commissions of the MYF will be started.

The Building Committee, Will Brandon, Chairman; W. P. Jernigan, Roswell Harrington, Delmar Hooks, Frank Wilson, and the minister, will meet on Saturday, Nov. 23, at 7:30 PM in the parsonage to make definite plans and

specifications for the new Sunday School Building.

The minister will attend the Lake Alfred Minister's Retreat Monday thru Wednesday, Nov. 25-27, as one of the seven representatives of the Miami District of the Methodist Church at the retreat. He will return on Wednesday evening. The Union Thanksgiving Service will be held at the Methodist Church on Thursday morning at 10 A. M. The Methodist and Baptist Churches joining in the service.

## Town Election In South Bay Dec. 3

A town election will be conducted at the South Bay town hall Dec. 3. Registration books for this election close today, according to Town Clerk Alvin B. Crow.

Two candidates have qualified for the mayor's contest, E. R. Butler and W. M. Jeffries, incumbent.

Six candidates have qualified as candidates for the three seats on the town council. They are C. E. Crichfield, Oneal Walker, J. C. Warren, A. B. Barnes, S. J. Fisher and W. G. Bowen. The first three are new candidates, the last three filing for re-election.

Two members of the council, F. B. Willits and M. J. Hardy, are holdovers and not up for election at this time.

## Bride-To-Be Honored With Party & Shower

Mrs. B. Elliott and Mrs. R. F. Hurt entertained at the Woman's Club Tuesday night with a party and miscellaneous shower in compliment to Miss Irene Marlene Verhulst, bride-elect, whose marriage to Earl Munson Schultz, Jr., is scheduled to take place at the home of Mr. and Mrs. E. M. Schultz, Sr., in Pahokee on Sunday, Nov. 24, at 5 p. m. The hostesses were assisted by Mrs. E. M. Schultz, Sr.

Mrs. Dorothy Graham presented a program which included a violin-piano duet by Anna Lee and Rita Fay Hurt. Rita Fay also sang and Anna Lee played piano selections. Patsy Elliott sang "I Love You Truly" and "When You Wish Upon a Star", accompanied at the piano by Mrs. B. Elliott. A skit, "Trying the Bride", was presented by Mrs. Hurt, Mrs. Elliott, Mrs. Pat Schoepel, Mrs. Dan Carpenter and Miss Betty Jensen. Contest prizes were won by Mrs. Hugo Raneri, Mrs. Isabell Laurie and Mrs. A. J. Lively.

The clubhouse was beautifully decorated with pink and white gladioli for the affair. At the center of the gift table was a large white parasol with pink and white streamers and the refreshment table was centered with a large bouquet of gladioli with lighted candelabra at each end. Mrs. Laurie was in charge of the guest book and the bride was assisted in the display of gifts by Miss Dorothy Jacobs and Mrs. Inez Roberts. Refreshments of ice cream, cake and cola drink were served by the hostesses.

## Cinematic Chatter

By Malcolm Millar

Those who remember Paul Muni for his very excellent performances at the local cinema house in the past will welcome the news that he is to return to the Prince Theatre screen this coming Sunday-Monday in "Angel on my Shoulder" with Anne Baxter and Claude Rains sharing the top billing with him.

They are doing a piece that will prove a fantasy that is different than anything that they have done in the past. This tells the story of a gangster who is killed and wakes up in Hell. He persuades the Devil to accompany him back to earth. There the pair ply their evil business with a judge and his daughter, causing the daughter and her father many anxious moments. The judge, however, cleverly manages to put on over on the gangster and his evil companion and the two go back to Hell to remain.

Tuesday-Wednesday there is a double feature, with "Prison Ship" first up. This one tells the story of a Jap Horror ship transporting American prisoners to their doom. There are many hair-raising incidents in the picture until the American manage to outwit the Nips and win the day. Nina Foch and Robert Lowery are bearing the star billing in this one.

The second picture up is a delightful musical romance under the title "Meet Me On Broadway", with Marjorie Reynolds and Fred Brady, together with Jinx Falkenburg, wearing the stars. This one has many delightful song numbers and ensembles that eye catching. With the hot bands and intricate dancing this will turn out to be the hit show of the evening.

Thursday-Friday brings Gene Tierney and Dana Andrews in an interesting and mysterious story under the title "Laura". This one tells of a girl, murdered, and supposedly the mysterious Laura. A detective unravels the mystery in the end of the show, only after he has kept a watchful eye on two suspects, one is a young man whom Laura is to marry and the other is an eccentric columnist, who has given her a start in the business world. The later suspect attempts to kill Laura but she is saved by the detective and the whole thing is unraveled in a pleasing manner.

Saturday brings another double featured program. First up is "Gun-Town" with Kirby Grant and Fuzzy Knight in the starring roles and furnishing action enough to please all of the Western fans.

Second one up brings Sidney Toler, as Charlie Chan, in "The Red Dragon", which puts Charlie in a tough spot for a time. But after many exciting experiences and near death's he solves the mystery and we all go home glad we went to the cinema.

See you at the movies—Mal.

## CHURCH OF CHRIST SCIENTIST

"SOUL AND BODY" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, November 24.

The Golden Text is: "I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, wholly acceptable unto God, which is your reasonable service" (Romans 12:1).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "For we know that if our earthly house of this tabernacle were dissolved, we have a building of God, an house not made with hands, eternal in the heavens" (II Corinthians 5:1).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Paul said, 'Walk in the Spirit, and ye shall not fulfil the lust of the flesh.' Sooner or later we shall learn that the fetters of man's finite capacity are forged by the illusion that he lives in body instead of in Spirit" (p. 223:2).

## MEN'S BIBLE CLASS

Last Sunday saw the largest attendance this season in the Pahokee Men's Bible Class thanks to the efforts of Membership Vice President Thurmond Knight and his company of enthusiastic group captains. The contest which will close Sunday December 1st, finds Paul Watson and his men in the lead, with the others close behind.

The victory dinner for men and boys has been postponed until the night of Monday December 2nd. The class enrollment goal of two hundred with one hundred in attendance is within eight of fruition. This Sunday's lesson, "Christianity vs Paganism" will be discussed by the teacher, Rev. C. A. Moberg. The greeters selected by Fellowship Vice President Claude Shirley for this Sunday will be Bill Cunningham and Bob Douthitt. A most cordial invitation is extended to all unaffiliated men and visitors to attend. The class meets in Fellowship Hall on Bacom Point Road Sundays at 9:45.

## IN MIAMI HOSPITAL

Miss Kansas Todd of Canal Point was notified Wednesday that an uncle, S. S. Green, had died at his home in McLain, Miss., after suffering from heart trouble. Plans calls for the funeral to be held on Friday, Miss Todd said.

Mr. and Mrs. Richard Brooks were visitors in Gainesville over the weekend.

## Why Bert Won First Prize

Folks weren't surprised when Bert Childers won first prize for his corn at the county fair.

Yet the judges admit it wasn't just because Bert had the finest ears of corn. He knew how to display them: neatly arranged, with the husks cleanly trimmed, and the booth white and spotless.

"Trimmin's" sure make a difference no matter what you're offering—as Andy Botkin, keeper of the Garden Tavern, well knows. Andy doesn't just sell good beer. He sells it in a place that's clean and attractive... in nice surroundings that

belongs with the enjoyment of a wholesome beverage of moderation.

And Andy, of course, is a whole-hearted supporter of "Self Regulation." That's the system by which the Brewers and tavern keepers themselves make sure that taverns selling beer are clean and orderly.

From where I sit, people like Andy also rate a "First prize." Not just for the quality of the product—but for the "trimmin's" too.

## TWO REGIONAL FAVORITES... EASY TO REMEMBER

## FILLET OF TROUT a la JAX

RECIPE: Place 2 lbs. trout fillets in pan; cover each bread crumbs, parsley and celery; add a pinch of salt and cook 15 minutes. Drain stock; add 1/2 cup water and thicken with flour, cooking until smooth. Keep fillets warm while making the sauce, or reheat lightly with a small amount of ginger. Garnish with plenty of frosty, sparkling JAX BEER. Garnish with JAX has mailed \$5.00 to Mrs. Laura Terranova, Jacksonville, Florida, for this delightfully different. If published, \$5.00 will be paid for its use. Address: Recipe Editor, JAX BREWING CO., Jacksonville, Florida.

## WITH A GREAT BEER, Jax

The true, old-time chefs of this region say that steaming seafoods in a mellow, regional beer is not a new thing. They long ago discovered that in doing so, the ordinary seafood dinner took on a new, richer flavor... made a "dish," a "delicacy." Such is the case with FILLET OF TROUT a la JAX—regional flavor to please a master chef!

Serve golden, JAX Beer, the Drink of Friendship, with all your favorite regional dinners. Enjoy this great regional beverage often, too, just for refreshment. It's a great regional drink—premium brew you'll favor!

## Clewiston Bank Fixtures Modernized

Visitors at the First Bank of Clewiston Tuesday morning, after the Armistice Day week-end, felt at first that they were in the wrong place of business for during the week-end, starting Saturday afternoon the old-type partitioning had been removed and replaced with marble and glass of the most modern design.

The new marble partition, in which there are three teller windows, is built straight across the room at right angles to the south wall but turns some ten feet from the north wall at right angles and gives space for a fourth teller window on that end in the recess from the lobby. At the back of this recess a door leads into the bank. The grey marble partitions are regular height and have low glass tops to give a very modern appearance to the banking house. Mr. Stewart's office will also be enclosed with a similar marble and glass partition on two sides.

The walls and floors will also be refinished to harmonize with the new fittings.—Clewiston News.

Mrs. W. R. Kaufman and son, Rex, has returned home from a visit with her parents in Fort Lauderdale.

Mr. and Mrs. R. G. Johnson, Jr., had as a guest over the weekend Fr. John T. Payne of Indianapolis, Ind.

## Ordinary Thistle Is Source For Honey

You might not think the common thistle has any commercial possibilities. But they do all kinds of original—and profitable—things on Everglades farms. And so, in the past season, the 'Glades have produced at least one carload of honey made out of those thistles.

Thistles in the past couple of years have been spreading on uncultivated parts of the 'Glades, explained H. L. Speer, assistant Palm Beach county farm agent. The seed, which flies about readily, could have been brought in accidentally on many of the trucks which ply between the Okeechobee area and points as far as Boston, or by other means.

They're the same old common thistle you used to see back North. They have lots of blooms in spring. The Everglades bees have taken to the goldenrod and Spanish bayonet.

Thistle honey, with W. D. Motes and F. C. Markham of Belle Glade as two of the main producers, began reaching the market. The trade was enthusiastic about it. It's even superior to the famed Tupelo product in Agent Speer's opinion, and quite a few persons agree with him. Speer says it doesn't turn to sugar readily as other honey does.

How much money of all kinds is being produced in Palm Beach county in these sugar shortage days is a question that apparently never will be answered accurately. Authorities started a survey some time ago but couldn't find out much. Apparently many

beekeepers can't see the advantage of telling all they know about their business and thus encouraging competition.

There have been stories of strange men—who could be in the illicit booze business—driving up to some beekeepers' places, hauling off their honey, and paying them then and there in cash. But agriculture officials wouldn't talk about that angle.—Miami Herald.

Mrs. H. L. Speer is substituting as mathematics and English teacher at the Pahokee Junior High School until a full time teacher can be found to succeed Miss Ann Major who recently resigned.

Mr. and Mrs. F. M. Shaughnessy, accompanied by Mrs. O. R. Bleech, spent the weekend in Miami visiting their daughter, Miss Jeanne Shaughnessy.
